

Białystok, 16.09.2020 r.

### **INFORMATION ON THE RESULTS OF THE COMPETITION**

pursuant to art. 119 of the Act of July 20, 2018 Law on Higher Education and Science (Journal of Laws of 2018, item 1668)

**Competition for the position of:** assistant professor (in the group of research and teaching staff)

**Employing unit:** Faculty of Mathematics, University of Białystok

**Date of announcement:** July 22, 2020

**Deadline for submitting offers:** 04/09/2020

**The competition is adjudicated and closed:** September 16, 2020

**Number of candidates:** 7

**Candidate who won the competition:** Dr. Andrew Mckee

**Justification:** After reading the documentation, taking into account the staffing needs of the Faculty of Mathematics and the scientific achievements of the candidates, the Commission concluded that four of them clearly stand out and each of them is worth employing. In order to decide, the Commission established a ranking list of these candidates. Dr. Andrew Mckee was the first candidate on the list who confirmed his interest in the offer and declared to accept the job at the Faculty of Mathematics of the University of Białystok.

Dean of the Faculty of Mathematics

Dr hab. Alina Dobrogowska, prof. UwB
