RECRUITMENT RESULT

For post-doctoral position for EEA Norway Grant Project: *Religion, Ideology & Prosociality: Simulating Secularising Societies*

University of Białystok, The Institute of Sociology

On February 22nd was held an online email conversation of the Recruitment Committee, composed of:

1. dr hab. Konrad Wojciech Talmont-Kamiński prof. UwB – head of the committee
2. Prof. F. LeRon Shults – member of the committee
3. dr hab. Małgorzata Bieńkowska prof. UwB – member of the committee
4. dr hab. Witold Rudnicki prof. UwB – member of the committee
5. dr Witold Hensel - member of the committee (unable to attend)

The purpose of the conversation was to qualify candidates for post-doctoral position for project *Religion, Ideology & Prosociality: Simulating Secularising Societies*.

The recruitment was based on the submitted documentation (application email, certificate of required grade, CV, list of academic achievements).

Applicants for Post-Doctoral position: Andrew Ross Atkinson, Kamran, Yasmine Hamdi Loza.

The candidates were assessed based on the submitted documents and criteria.

Andrew Ross Atkinson alone met all science related criteria listed in the call and was unanimously found to be the most suitable candidate for the offered position. The Committee decided to offer him the position.

Accepted candidate: Andrew Ross Atkinson

Approved by:

dr hab. Konrad Talmont-Kaminski (head of committee)
