Białystok, 20.05.2021 r.

INFORMATION ON THE RESULTS OF THE COMPETITION

pursuant to art. 119 of the Act of July 20, 2018 Law on Higher Education and Science (Journal of Laws of 2018, item 1668)

Competition for the position of: associate professor (in the group of research and teaching staff)

Employing unit: Faculty of Mathematics, University of Białystok

Date of announcement: February 23, 2021

Deadline for submitting offers: 2/04/2021

The competition is adjudicated and closed: May 19, 2021

Number of candidates: 2

Candidate who won the competition: prof. Vitaly Moroz

Justification: Two candidates meeting the competition requirements entered the competition. The Committee got acquainted with the documents sent and opinions of two experts with the title of professor in the discipline of mathematics appointed by the Faculty Council (including one expert from outside the University). After an in-depth discussion, taking into account the staff needs of the Faculty, the scientific achievements of the candidates and the opinions of independent experts, the Committee, in a secret ballot, unanimously decided that the competition for the position of university professor was won by prof. Vitaly Moroz.

Dean of the Faculty of Mathematics

Dr hab. Alina Dobrogowska, prof. UWB
