For post-doctoral position for EEA Norway Grant Project: *Religion, Ideology & Prosociality: Simulating Secularising Societies*

University of Białystok, The Institute of Sociology

On February 22nd was held an online email conversation of the Recruitment Committee, composed of:

1. dr hab. Konrad Wojciech Talmont-Kamiński prof. UwB – head of the committee
2. Prof. F. LeRon Shults – member of the committee
3. dr hab. Małgorzata Bieńkowska prof. UwB – member of the committee
4. dr hab. Witold Rudnicki prof. UwB – member of the committee
5. dr Witold Hensel - member of the committee (unable to attend)

The purpose of the conversation was to qualify candidates for post-doctoral position for the project *Religion, Ideology & Prosociality: Simulating Secularising Societies*.

The recruitment was based on the submitted documentation (application email, certificate of required grade, CV, list of academic achievements).

Applicant for Post-Doctoral position: Thomas P.D. Swan.

The candidate was assessed based on the submitted documents and criteria.

Thomas P.D. Swan met all science related criteria listed in the call but finally was unable to take up employment on the offered terms and conditions.

Thus, the recruitment was closed without selecting a person to be employed.

Approved by:

dr hab. Konrad Talmont-Kaminski (head of committee)
