INFORMATION ON THE RESULTS OF THE COMPETITION

pursuant to art. 119 of the Act of July 20, 2018 Law on Higher Education and Science (Journal of Laws of 2018, item 1668)

Competition for the position of: assistant professor (in the group of research and teaching staff)

Employing unit: Faculty of Mathematics, University of Białystok

Date of announcement: 25/05/2022

Deadline for submitting offers: 10/07/2022

The competition is adjudicated and closed: 19/07/2022

Number of candidates: 2

Candidate who won the competition: dr Mateusz Woronowicz

Justification: Two candidates entered the competition. The Committee got acquainted with the documents sent and concluded that one of the candidates had not provided all the required documents. The second candidate met the competition requirements. After an in-depth discussion, taking into account the needs of the Faculty and the scientific achievements of the candidate, the Committee, in a secret ballot, unanimously decided that the competition for the position of assistant professor was won by dr Mateusz Woronowicz.
